

Letter of Recommendation

CIN: FIT/MAY26/CS8352

14/07/2026

To Whom It May Concern,

We are writing this letter to recommend **BALLANI SAI KESAVA SANTHOS**, a student of **NIIT University**, who successfully completed his internship as a **Cyber Security Intern** at Future Interns.

During his internship, **BALLANI SAI KESAVA SANTHOS** was engaged in structured, task-based assignments aligned with the program requirements. He demonstrated a consistent level of professionalism, responsibility, and commitment while working on his assigned tasks. His approach to work reflected clarity in understanding requirements and the ability to apply learned concepts in practical scenarios.

Throughout the internship period, he showed steady improvement in technical understanding and problem-solving skills. He approached tasks with a willingness to learn, accepted feedback constructively, and maintained discipline in meeting timelines. His attention to detail and methodical approach contributed positively to the completion of assigned deliverables.

Based on his performance and verified completion of the internship, we believe that he is well-prepared to pursue further academic or professional opportunities in related fields. We recommend him for roles or programs that value structured learning, consistency, and professional conduct.

Sincerely,
